

Program Overview

The Follett Access program is designed to make sure every student has access to the correct materials they need on day 1 of classes each semester. Students will see a “Follett DEI Bookstore Charge” on their MyNortheast student account for any classes they are enrolled in that are participating in the Follett Access program. Not all classes are in the Follett Access program. Please see the list below to know which classes are included. Please note that not all forms of aid cover the cost of the Follett DEI Bookstore Charge. **TNPromise and TNReconnect DO NOT cover the Follett DEI Bookstore Charge.** To pay for the Follett DEI Bookstore Charge, you can pay either the Business Office or login to your MyNortheast student account and pay via credit card online.

Student will have the option to opt out of these charges if they so choose. The opt out period for Summer 2022 will begin on 06/02/2022 and end on 6/17/2022. Students taking a class in Term 2 will have from 07/11/2022 until 07/27/2022 to opt out. Students will receive an email to their MyNortheast (@stumail.northeaststate.edu) email address with a link to be able to opt out. Students are encouraged to attend their first class before opting out as opting out may result in not being able to complete the required work necessary to pass the class. IF you opt out and need to purchase you can do so, but at a greater cost to you.
